

SITUATION REPORT- 1

Floods in North East India

Date: 03rd July 2024 (Wed)

Time: 08:00 AM (IST)

SITUATION UPDATE AND RESPONSE

Assam:

- The flood situation in Assam has worsened, with three more fatalities, bringing the total number of deaths to 48 this year due to floods, landslides, and storms.
- Over 11.3 lakh people are affected across 23 districts. The worst-hit districts include Lakhimpur (1.65 lakh people), Darrang (1.47 lakh people), and Golaghat (1.07 lakh people).
- Recent heavy rainfall has been recorded in Karimganj (160 mm), Goalpara (160 mm), and Kokrajhar (140 mm), with an average rainfall of 44.4 mm across the state.
- Floodwaters have damaged embankments, roads, bridges, and other infrastructure in several districts. A total of 2,561 houses have been reported damaged (94 fully, 2,467 partially).
- 2,208 villages and 42,476.18 hectares of cropland are underwater. Over 8,32,000 domestic animals and poultry have been affected.
- Kaziranga National Park, a UNESCO World Heritage site known for its one-horned rhinoceroses, has been severely impacted by the floods.
- Due to the heavy rainfall, river levels in the Brahmaputra basin and its tributaries are expected to rise, leading to potential floods in additional areas.

Arunachal Pradesh:

- Incessant heavy rainfall has created flood-like situations in several districts. The weather has improved in most parts, but there are still orange alerts in two districts.
- Key areas impacted include Changlang (flooding by Burha Dehing river), East Kameng (Kameng river), Namsai (Nao-dihing river), and Tirap (Buri Dihing and Chatjo rivers). In Upper Siang, a major landslide has washed away a national highway.
- 72,466 people from 206 villages in 27 districts have been affected during the monsoon season. Recent impacts include 9,015 people in East Kameng and 32 people in Tawang.

Statistical Analysis

Assam

No. of District Affected: 23

No. of People Affected:
11,34,400

Number of Casualties: 48

Worst hit district: Lakhimpur,
Darrang, Golaghat

No. of Relief Camps: 489

Inmates in Relief Camp :
2,86,776

Rescued People: Approx.
2850

Crops Damaged:
42,476.18 hectares

Infrastructure Damage: 2,561
houses (94 fully, 2,467 partially)

Livestock Affected: Over
8,32,000

Arunachal Pradesh

No. of District Affected: 27

- Significant damage has occurred to dwelling houses, roads, bridges, power lines, and water supply systems. A total of 148 houses and 126 huts were damaged recently, with over 12 hectares of agricultural and horticultural land affected.

Mizoram:

- Heavy rainfall has caused floods in 6 districts, affecting 28 villages.
- Severe conditions are reported in the capital city Aizawl, as well as Lunglei and Serchhip districts. Rivers Tlawng, Tut, and Khawthlangtuipui are swollen, inundating low-lying areas.
- 21 landslides have occurred in the past 24 hours, causing significant damage and loss of life. Three members of a family, including a child, were buried alive in a landslide in Aizawl.

Nagaland:

- Heavy rains have caused landslides and floods, resulting in fatalities and extensive damage.
- Two persons drowned in Kohima and Sendenyu village. The Chessore area is severely affected, with paddy fields and irrigation systems destroyed. Roads and bridges, including those funded by MNERGA and PMGSY, are damaged.
- The fertile paddy fields from Huker Village to Chessore Village were significantly affected, with nearly 60% of the paddy fields swept away.

Manipur:

- Continuous heavy rainfall has led to flood-like situations in multiple districts.
- 11 landslides have occurred in the past 24 hours, affecting four villages in Senapati district.
- 200 people are reported affected, with one fatality.
- The Imphal River and other water bodies have overflowed, flooding residential areas and farmlands in Thoubal, Bishnupur, and Imphal East districts.

Meghalaya:

- Heavy rainfall has caused severe flooding and landslides, particularly in East Khasi Hills and West Garo Hills.
- Landslides have blocked roads, isolating villages and hampering rescue efforts.

Tripura:

- Heavy rainfall has led to flooding in Gomati and Khowai districts.
- Overflowing rivers have submerged large areas of agricultural land and residential zones.

No. of People Affected:
72,466

Evacuated people: 120 from
East Kameng, 492 from Namsai

Crops Damaged: Over 12
hectares

Infrastructure Damage (Since
April 01st): 611 kutchha, 49
pucca, 155 huts

Mizoram

No. of District Affected: 06

Number of Casualties:
03

Rescued family:
20

Infrastructure Damage:
07

Nagaland

Key Areas Affected : Chessore,
Huker, Y. Anner Valley, Langa-
ke River to Chessore River

Number of Casualties: 02

Manipur

No. of District Affected: 4
(Senapati, Thoubal,
Bishnupur, Imphal East)

Number of Casualties: 01

Landslide in Mizoram

GOVERNMENT PREPAREDNESS & RESPONSE

Assam:

- The administration has set up 489 relief camps and distribution centers in 21 districts, providing shelter to 2,86,776 people.
- Approximately 2,850 people have been rescued by the civil administration, SDRF, NDRF, emergency services, and the Air Force
- A total of 614 SDRF personnel, including 159 deep divers, with 295 boats have been deployed in 54 locations.

Arunachal Pradesh

- Schools in Itanagar and Papumpare districts are closed from July 2-6 due to the weather conditions.
- NDRF teams are deployed for rescue and relief operations.

Mizoram

- At least 20 families were rescued from landslide-affected areas and relocated to safer places.

Manipur

- The state disaster management authority, in coordination with the central government, is providing relief and support.

Meghalaya

- Emergency response teams are working to clear debris and restore connectivity, while relief camps have been set up to shelter displaced families.

Tripura

- The state administration is monitoring the situation and has deployed disaster response teams to assist affected residents. Relief materials, including food, water, and medical supplies, are being distributed to the flood-hit areas.

HUMANITARIAN RESPONSE

- The Dhemaji District Inter-Agency Group (IAG) is conducting a joint rapid need assessment in the affected areas of the district.
- The Assam State IAG is planning a meeting on the upcoming Friday to check updates and discuss the next steps in the flood response.
- NEADS is planning to conduct relief activities in the Majuli, Jorhat, and Golaghat districts.
- The Indian Awaz Foundation is seeking valuable collaboration and support for the Assam Flood Relief 2024 efforts.
- Sphere India is continuously monitoring the situation and coordinating with state IAGs and ground-level organizations to ensure an effective response.
