SITUATION UPDATE

Torrential rains have battered several states across Northeast India over the past week, triggering widespread floods and landslides. Multiple districts in Arunachal Pradesh, Assam, Manipur, Mizoram, Sikkim, Meghalaya, and Tripura have reported severe damage to infrastructure, homes, and agricultural land. Rescue and relief efforts are underway, with armed forces and disaster response teams deployed in the worst-affected areas. Thousands have been evacuated and are currently housed in relief camps.

Arunachal Pradesh:

- In Arunachal Pradesh, eleven people have lost their lives and two persons are reported missing due to massive landslides triggered by incessant rainfall. A total of 23 districts, 156 villages, and 938 people have been affected across the state.
- In the last 24 hours alone, 7 districts have been severely impacted, including Lower Subansiri, Lower Dibang Valley, Namsai, Itanagar Capital Region (ICR), Lohit, Pakke Kessang, and Kamle.
- A total of 168 houses have been damaged, comprising 114 katcha houses, 45 pucca houses, and 9 huts. Additionally, 5 livestock deaths have been reported.
- The ongoing weather has also affected 8 hectares of horticultural land and 7 hectares of agricultural land across the state.

Assam:

- More than 3,64,046 people across 19 districts of Assam have been affected by a wave of floods that disrupted road transport and train services on Sunday.
- Floodwaters have impacted 724 villages and submerged 3,524.38 hectares of cropland. A total of 10,272 flood-affected people are currently taking shelter in 156 relief camps and relief distribution centres set up by the district administration.
- According to a flood bulletin issued by the Assam State Disaster Management Authority (ASDMA) on Sunday, one person died in Lakhimpur and two others in Golaghat in eastern Assam, bringing the total number of deaths due to floods and landslides in the state to 11.
- Lakhimpur is the worst-hit district, with over 46687 people affected.
- Additionally, 41,090 people have been affected by flash floods in urban centres across four districts and six revenue circles. Due to heavy rain, at least three trains were cancelled by the Northeast Frontier Railway in South Assam.
- Ten relief camps have also been set up in response to flash flooding, currently housing 464 inmates.
- 235193 animals are also affected by the flood in Assam, and 696 animals washed away

Statistical Overview

No. of Casualties:

- Arunachal Pradesh: 11
- Assam: 11
- Mizoram: 02
- Meghalaya: 06
- Tripura: 01

Missing:

- Arunachal Pradesh: 02
- Meghalaya: 02

Injured:

- Manipur: 02

Houses Damaged:

- Arunachal Pradesh: 168
- Assam: 53 (fully), 969 (Partial)
- Manipur: 3365
- Mizoram: 49

Agricultural Damage (in hect)

- Arunachal Pradesh: 07
- Assam: 3,524.38
- Manipur: 11.8

Relief Camp Opened:

- Arunachal Pradesh: 01
- Assam: 156
- Manipur: 31
- Tripura: 24

Camp Inmates:

- Arunachal Pradesh: 59
- Assam: 10272
- Tripura: Approx. 1300

Livestock Affected:

- Arunachal Pradesh: 05
- Assam: 235193

Government Response

Manipur

- Heavy rainfall has wreaked havoc in Manipur, affecting 19,811 people across 103 villages, and damaging 3,365 houses due to floods and landslides over the past 48 hours (as of June 1, 2025).
- Several localities in the state capital Imphal, as well as many parts of Imphal East district, have been inundated after a swollen river breached embankments and overflowed in the Khurai, Heingang, and Checkon areas.
- Approximately 11.8 hectares of crop area have been affected by the heavy rainfall. Two persons have been injured, and the deaths of 64 animals have also been reported.
- Waterlogging was reported on the premises of several key offices and establishments, including the All India Radio Imphal complex and the state-run Jawaharlal Nehru Institute of Medical Sciences, following the overflow of the Imphal River in the Checkon area.
- While the water levels in Checkon and Wangkhei began to recede on Sunday morning (June 1, 2025), the situation remains unchanged in the Khurai and Heingang constituencies, which were inundated on Saturday.

Mizoram:

- As per the report dated 31st May, a total of 113 families were affected in Mizoram, including 20 families in Aizawl, 26 in Lunglei, and 21 in Siaha district.
- A total of 11 districts were affected, with 49 houses damaged and 17 houses destroyed.
- One person died in Serchhip, while a building collapsed in Lawngtlai town, which has been experiencing continuous heavy rainfall and landslides over the past three days.

Sikkim:

- The strong current of the Teesta River in North Sikkim has caused widespread devastation. According to the Mangan district administration, 112 people are stranded in Lachen and 1,350 in Lachung. The Phidang Bailey Bridge, which connects Mangan to Chungthang, has also been severely damaged.

Meghalaya:

- Two girls died due to lightning, and another person drowned as heavy rain continued across the state on Saturday. A total of six deaths have been reported over the past three days.
- Approximately 1,100 people across 49 villages have been affected by landslides, flash floods, and power disruptions.
- Government is considering calling paramilitary forces to assist in the search for a missing couple from Madhya Pradesh.

Tripura:

- Around 1,300 families have taken shelter in government-run relief camps across West Tripura district following incessant rainfall over the past two days, which has triggered severe flooding in several parts of the region.
- One man died after falling into a manhole as continuous rain caused widespread inundation across the state. The capital, Agartala, recorded a record rainfall of approximately 200 mm in just three hours.

Government Response

Arunachal

- An ex-gratia of ₹4 lakh was announced for the families of the deceased. 18 people were evacuated, and one relief camp was set up at Government Secondary School, Alubari, currently housing 59 inmates.
- An Indian Air Force Mi-17 helicopter rescued at least 14 people stranded in floodwaters in Lower Dibang Valley district.

Assam:

- The central government reviewed the disaster situation in Assam, Sikkim, Arunachal Pradesh, and Manipur in consultation with state leadership.
- The state government announced an ex-gratia of ₹4 lakh each for the families of five people who died in recent landslides in Guwahati.

Manipur:

- Authorities visited flood-affected areas in Imphal town while armed forces personnel rescued nearly 800 people from submerged localities in Imphal East, the most affected district.
- A total of 1,599 people were evacuated. 31 relief camps and 3 medical relief camps have been set up.
- The Health Department has deployed 16 rapid response teams across Imphal East, Imphal West, and Senapati districts.
- A helpline (104) has also been activated to handle health-related grievances from flood-affected areas.

Tripura:

- The state government opened 24 relief camps for people displaced due to flooding and heavy rainfall over the past few days..

Mizoram:

- A high-level review meeting was convened to assess the disaster situation caused by ongoing heavy rainfall and landslides.
- The District Disaster Management Authority in Aizawl has instructed all schools in the district to remain closed on Monday, 2nd June 2025 as a precautionary measure.
